

## Download and share the 5fish app

Global Recordings Network has spent over 75 years recording 13,000 Bible stories in over 6,000 languages. The 5fish app allows you to download, share and listen to most of these Bible messages on your mobile phone. You can also use this app to share the story of Jesus with someone you know in their own heart language.

To have these recordings on your phone you can download the 5fish app for free.

You can also download these recordings onto your computer or phone for free at: www.5fish.mobi
